“

I love the Grove. Let me tell you, it's very, very impressive. I would say it's the best-conditioned golf course in Europe certainly from my experience. Everything was perfect; the course is great, the tees, fairways, and greens were incredibly manicured, and the practice facilities were amazing. The food we had all week was magnificent. This was the benchmark for how a tournament should be. It was that good.

The Grove Golf Course is without doubt one of the finest facilities I have ever seen anywhere in the world.
